2023–2024 ANNUAL REPORT

LETTER FROM THE CEO AND THE CHAIR OF THE BOARD:

Taos is a community rich in diversity, with a unique blend of cultures, languages, and heritage that defines our shared identities. At Taos Community Foundation, we’re proud to have been connecting people who care with causes that matter for over thirty years. Our vision is to connect people and opportunities, generating resources to build a community where everyone has the opportunity to thrive.

During our shared time at TCF, it has been a privilege to connect more deeply with the care and engagement throughout our community. It’s not only about understanding the local landscape; it’s also about witnessing the time and heart that donors and nonprofits pour into their work. This dedication shows up in everyone’s efforts, whether it’s improving the lives of our elders and children, protecting the environment, or preserving the rich heritage of our region. Our collective effort shows a commitment to making our community a better place for everyone.

While the annual report highlights the statistics of our work, it’s the people in the communities across Taos and western Colfax counties that truly tell our story. Over the past year, we’ve had the privilege of awarding 513 grants and scholarships, totaling over \$1.3M. Being involved in these partnerships is at the heart of our work, as we bring forward creative voices, local expertise, and generosity that strengthens our entire community.

Thank you for your support!

CJ Grace
